SIR

In forwarding herewith the application of Mr. I. I. He is a graduate and has passed the Revenue Accounts and Criminal, all higher grade and Registration Examinations. He has completed his 45th year and pleads inability to pass the above said examinations, now on account of advanced age. He sat for this examination once and got through one paper. He is an experienced and capable official, well conversant with Rules and Regulations. His prayer deserves favourable consideration. I therefore recommend that he may be exempted from passing the examination in the Law and Accounts relating to Municipality and District Board, so that he may get his increments, and promotions, in the Local Bodies also. The Municipal Commissioner,

Bangalore City

Sir,

I beg to bring the following few lines to your kind consideration and favourable orders

After the service of 14½ years in the Revenue Department, my services were lent to this Municipality in the month of May 1938 and I have been working here since then to the entire satisfaction of my superior officers. I am a graduate. While I was working in the Revenue Department, I passed the Revenue, Criminal and Accounts (all higher grade) and Registration examinations and thus qualified myself to be promoted even to the post of the District Sheristadar of the Deputy Commissioner's Office, which post carries a pay of Rs 150-25/2-200

After my transfer to this office, I attempted to pass the examination in the Law and Accounts relating to Municipalities and District Boards and sat for the examination once. I was successful in one paper and failed in the other paper as I could not write properly as I was suffering from fever at the time of examination. Owing to heavy work in the Office and other inconveniences in this costly city on account of abnormal high prices in recent years, I could not attempt again to pass this examination. I have to maintain 8 children and 4 other dependents.

I have put in an approved service of 21 years and I have proved myself an efficient official throughout my career. I am well conversant with the rules and regulations. As the Head Accountant of this Municipality, I am now drawing Rs 92/- in grade Rs 80-4-100.

I cannot draw my next annual increment which falls due on 4-3-45 without passing the examination in the Law and Accounts relating to Municipalities and District Boards, as per Government Order No L 8181-203/11 126-41-4 dated 10-3-1942.

My sons are studying in Middle and High School Classes living

in this costly place on the small pay I get, has become extremely difficult. I have completed 15th year. I find it not possible to study for the said examination on account of advanced age. In these circumstances, I beg that your honour may be kindly pleased to recommend to Government to exempt me from passing the examination ~~in the law and referred to above~~ in the Law and Accounts relating to Municipalities and District Boards and thus enable me to get my annual increments and promotions, for which act of kindness, I will be ever grateful to you, Sir.

I beg to remain sir,
Your most obedient servant,
